

Central Evaluation Plan 2021

Three evaluations of strategic interest to Sida will be commissioned in 2021. The central evaluation plan is the result of a consultative process within Sida where evaluation plans from 30 operating units and embassies have provided a basis for discussions with directors and policy specialists. In addition to the central evaluations, some 30 decentralised evaluations are planned to be commissioned by Sida's operational units and embassies.

Planned evaluations

Title	Focus
Food security	Critical factors sustainable food systems, poverty, hunger, learning.
Sida support to UN country programmes	Financing modalities, development effectiveness, learning.
Long-term effects of support to basic education	Impact, sustainability, learning, modalities, system approaches

Ongoing evaluations

Title	Focus
Sida's approach to democratization in different contexts	Evaluability study. Democracy support, change logic/theory, methods of assessment of the level and change of democracy.
Power Africa Initiative	Partnership, financing for development
Capacity development, bilateral research cooperations	The modality, learning.
